Women's After School Bible Study

Priscilla Shirer's latest study

One in a Million:

Journey to your Promised Land.

7 week DVD study starts October 15

meeting in the Library at WBCA 3:00pm-4:45pm

Join Priscilla Shirer on an exploration of the Israelites' journey from Egypt to a land of deliverance. Of the original two million who received God's invitation to enter the Promised Land, only two actually entered it. Similarly, only a handful of modern-day Christians experience God and live the life of abundance that He promises. Shirer encourages others to see the goodness of God in their lives, live beyond their circumstances and expect to see God move in miraculous ways in their everyday existence.
